

2020

Beneath the Upper Room

Proposed Rehearsal Schedule

This is the same schedule used in the original production, except that the dates have been adjusted to reflect the given year, above. We really did have less than 17 total hours of rehearsal– and we mostly had “regular church people” who had little or no theatre experience. Note: This schedule may need to be adjusted for local school Spring Break schedules.

Work Thru = Work desired sections of show, stopping and starting as needed.

Run Thru = Run through whole show without stopping, allowing actors to work on continuity.

Tech = adding technical aspects of show (lights, sets, props, etc) and working as needed.

Dress = Adding costumes. Work as needed, but should be as much of a Run Thru as possible.
